

I am an ex Sandown Grammar pupil researching material for various Facebook groups. At the moment I am concentrating on Isle of Wight Football and Cricket Nostalgia and IW Clickapic. I have created a database(below) recording the Island Schools Football final results 1950-70 for the Bagwell Shield(Under 16), Baring Shield(Under 15), Guppy Shield (Under 14) and Junior Cup (Under 13). I have the following questions:

1. Priory Boys won the Guppy Shield Final in 1965-66. I have not been able to determine the final opponents and the score (and the scorers for each side). Can you assist with the missing information?
2. I am looking for 1960s schools football team photos. I prefer winning or losing finalists for the trophies above. I add player names, scores and scorers. I will also add a match report from IWCP if I can find one. In response to my postings, readers comment that they played with or against the players in the photo. I spotted a nice photo on the website showing the PB 1962-63 Baring Shield joint winners. Final against Carisbrooke Grammar was drawn 2-2 and the trophy was shared. Do you have names for the players(full or partial list), scorers etc and can I use the photo with credit to your website? At the moment, Priory Boys is underrepresented on IW Football and Cricket Nostalgia and IW Clickapic and I would like to remedy that.
