

Hi Tim,

Someone pointed me in the direction of your Priory Boys web site.

I was in the 5<sup>th</sup> form when we went comprehensive, so started in Priory Boys.

Full name Christopher John Jones

I have now retired to the Philippines:

The Wight House, Barangay Bail, Santo Tomas, La Union, Philippines, 2505

Phone number : +63 917 657 53878

Email: [cjj\\_iow@hotmail.com](mailto:cjj_iow@hotmail.com)

I loved my time in Priory, really enjoyed it and saw the whole system collapse as we went comprehensive.

After the sixth form in Carisbrooke High I went on to London University to study Biology.

Please add me to the contact list and keep me updated on any reunions, not that it is likely I will be back on the Island in this lifetime.

Cheers,

Chris Jones
