Priory Secondary Boys' School,
Newport,
Isle of Wight.

January 17th, 1968.

Dear Headboy/Headgirl,

Following the resounding success of our last "schools only" dance which we felt was enjoyed by everyone present, we have decided to run another dance along the same lines on Friday, February 2nd.

Unfortunately, the "Cherokees" are unable to appear on this night and in their place we are presenting a new group to the Island, already proclaimed as Newport's No.1 group - "D's Independence".

Enclosed please find.....tickets at 3/6d. each which, as last time, are to be sold only to senior members of Secondary schools.

We will collect the money and any tickets you have failed to sell a few days before the 2nd.

Once again we look forward to a good attendance from your school to enable us to run another successful Island Schools Dance.

Yours sincerely,

P.S. Palin, (Headboy)
Dance Committee Representative.

P.S. If there is the demand, cheap transport can be arranged to certain towns and I will be pleased to answer any queries on this subject.
