

Hi Tim, I have come across your web page which shows some old photos of the boys who were at the school. My reference is to the school choir photo. I'm the lad in the back row 1st on the left.

I have recently retired (medically discharged after being injured in Afghanistan) from the Australian Army.

I joined the Royal Marines in 1967 as a Boy musician and then became a Commando finishing training aged 17. I served for 25 years and then migrated to Australia where I served another 20 years in the Australian Army. I served in Afghanistan in 2010-11 as a Major working alongside the US Forces.

My wife Jenny and I are now touring Australia for about 10 years in an American style RV.

I am more than willing to have any of the old boys contact me via my email address.

Regards

Major Peter Checkley (Retd)
