PRIORY BOYS' SCHOOL

SPORTS

The sports were held last week at the school. This year, for the first time, the metric system was used for track events. The meeting, organised by Mr. E. W. Fentum (P.E. master) proved successful and was noteworthy for the enthusiasm of the participants.

Ideal weather conditions resulted in several records being broken, both in track and field events, four in field events, and in the 100 metres sprints two records standing since 1960 were broken and the senior 100 metres, a 1962 record, was surpassed.

The house championship was won by St. Cross with 233 points, the result being decided in the last minutes by the relay races. The house shield was presented by the headmaster (Mr. H. W. Flux, J.P.) to Christopher Gardener (deputy house captain for St. Cross). Alvington were runners-up with 200 and other house placings were Medina 177, Barton 171. Results:
